## NOTICE

### ATTENTION: ALL THE DIPLOMA AND B-TECH STUDENTS

This is for information to all Diploma and B-Tech students that:-

The **Integrated Technologies Olympiad 2019** is a step towards bridging the gap between demands from industries and existing engineering curriculum. The very nature of the competition will certainly help students to acquire Learning to Learn skill, which is utmost important for survival in this industrial world.

InTech Olympiad is entering in its fourth year, and it is an Eight month long event which is designed in a way to bridge the gap between industry and academia through live projects.

A student from any branch, any year of Engineering and Diploma can participate.

The projects are live case studies from industry and the industry mentor will guide the students along with academic mentor. It is a national level initiative, and last year more than 18000 students participated from all the states and Union Territories of India.

Registrations started for the InTech Olympiad 2019.

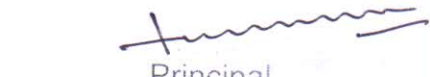

For Registration students can take the help of following Website:
