

Dear Madam/Sir,

Greetings from TCS iON!

We are excited to announce that the next edition of **TCS iON Qualifier - CCQT** is scheduled for [28 September 2019](#). We request you to pass on this information to all your students and encourage them to register for this one-stop recruitment test.

As you might be aware, CCQT is a recruitment test for final year students to have their profiles shared with top corporates looking for fresher recruitment. The test features two stages – a computer-based domain knowledge test and a video based skill test.

Last date of registration: [21 September 2019](#).

Please note that starting this quarter, there will be four different variants of CCQT, catering to the different graduation streams. The registration links of the variants are given below. Please click on the link to go the corresponding page and register.
